CALL FOR ABSTRACTS & PARTICIPATION

GEOMINE 2026

The Biennial International Conference

October 08–09, 2026 | Ulaanbaatar, Mongolia

The School of Geology and Mining Engineering at the Mongolian University of Science and Technology (MUST) cordially invites researchers, academics, industry professionals, policymakers, and graduate students from around the world to participate in **GEOMINE 2026 – The Biennial International Conference on Geology and Mining**.

GEOMINE 2026 serves as an international platform for advancing scientific knowledge, engineering innovation, and interdisciplinary collaboration in geology, mining, mineral resources, petroleum engineering, geospatial technologies, environmental sustainability, and resource governance. The conference brings together stakeholders from academia, industry, and government to address emerging challenges and opportunities in sustainable resource development.

We warmly welcome submissions of original research abstracts and encourage participation from scholars and professionals across diverse disciplines and sectors.

Conference Themes

A. Policy, Society & Future Systems

Governance, sustainability, education, occupational safety, and public engagement in mineral resources.

B. Geo Systems & Mineral Science

Geology, mineralogy, geochemistry, tectonics, geophysics, paleontology, stratigraphy, and mineral exploration.

C. Green and Safe Mining

Environmental management, mine closure, safety, risk mitigation, and sustainable mining practices.

D. Mining Systems, Processing & Resource Engineering

Mining technologies, mineral processing, resource extraction, and engineering innovations.

E. Advanced Technologies in Mineral Resources

Artificial intelligence, data analytics, intelligent systems, automation, and digital transformation in resource industries.

F. Geospatial Intelligence, GIS & Digital Earth

Remote sensing, GIS, surveying, spatial analytics, digital twins, and Earth observation technologies.

G. Oil, Gas & Energy Systems

Petroleum exploration, drilling engineering, reservoir systems, energy infrastructure, and low-carbon energy transition technologies.

Scientific Program

GEOMINE 2026 will feature peer-reviewed technical sessions; keynote and invited lectures; industry and technology presentations; policy and stakeholder discussions; workshops and training programs; and post-conference field excursions

All submitted abstracts and papers will undergo a peer-review process to ensure scientific quality and relevance.

Important Dates

Activity	Date
Abstract Submission Opens	April 20, 2026
Abstract Submission Deadline	July 30, 2026
Notification of Acceptance	August 26, 2026
Conference Dates	October 08–09, 2026
Field Excursions	October 10–11, 2026

Submission and Registration

Authors and participants are invited to submit abstracts and register through the conference website:

Website: <https://geomine.must.edu.mn>

Email: geomine@must.edu.mn

Join the Global Geoscience and Mining Community at GEOMINE 2026

Discover Resources. Advance Knowledge. Shape the Future.
Нөөцийг нээе. Мэдлэгийг ахиулъя. Ирээдүйг бүтээе.
